Attention Curriculum Coordinator / Deputy Principal

RE: 2022 TIMEFRAMES AND ORDER FORMS

In 2022, our 31st year of operation, our specialist teams will develop 150 Black Line Master exams composed of 61 Trial HSC, 57 Preliminary HSC and 32 Years 7 to 10 Final Exams. In the order of 40,000 Black line Masters are distributed annually to ALL NSW High Schools. All Exams are prepared by recognised course experts and are released with questions, answers, marking guides and mapping grids.

To ensure security for all schools, our 2022 exams, including Years 7-10, will be express post delivered as printed hard copies. Year 7-10 exams will also be provided electronically, predominantly as Word files – instructions for obtaining soft copies will be included with the express post delivery.

Printed past paper workbooks and emailed past papers from 2000 to 2021 are available in all courses. Full details on our website www.ite.nsw.edu.au.

For over 20 years, we have been supporters of the Children's Cancer Institute for scientific research into the early detection of relapse in children with leukaemia. Due to COVID-19, donations from other sources were compromised so in both 2020 and 2021 we donated \$50,000 rather than our usual \$20,000. In total over \$620,000 donated from 2000 to 2021. We encourage schools to support the Children's Cancer Institute - www.ccia.org.au.
